

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office

May 7, 1997

LB 752A, 798, 798A, 806A

advancement of LB 752A. All of those in favor vote aye, opposed vote nay. Record, Mr. Clerk.

CLERK: 25 ayes, 3 nays on the advancement of 752A.

SPEAKER WITHEM: LB 752A advances. Mr. Clerk, LB 798A.

CLERK: (LB) 798A by Senator Crosby. (Read title.)

SPEAKER WITHEM: LB...Senator Crosby to open on LB 798A.

SENATOR CROSBY: Thank you, Mr. Speaker and members. LB 798 does...798A does exactly what the Clerk said, if LB 798 passed, and I'm not making any predictions. It will reduce the General Fund program by \$192,330, and the salary limits by \$129,267 because the program is, in effect, terminated. So that's all the bill does, reduces, a little, General Funds and salary limits. Thank you.

SPEAKER WITHEM: Senator Crosby, do you have closing? Closing has been waived. The question is the advancement of LB 798A. All in favor vote aye, opposed vote nay. Record, Mr. Clerk.

CLERK: 31 ayes, 0 nays on the advancement of 798A.

SPEAKER WITHEM: (LB) 798A is advanced. I would like to recognize some guests from Senator Brown's district. We have 32 fourth grade students from Brownell Talbot School in Omaha along with their teachers. (Introduced teachers.) Would you please stand and be recognized. And one late entry, just coming in, we have guests of Senator Chris Peterson. (Introduced guests from Grand Island.) Could you please stand and be recognized. Mr. Clerk, LB 806A.

CLERK: (LB) 806A by Senator Bohlke and others. (Read title.)

SPEAKER WITHEM: Senator Bohlke, to open.

SENATOR BOHLKE: Yes, Mr. Speaker, members. This is the A bill that designates \$100 million for schools, \$9.1 million for ESUs, and \$21,000 for the Department of Education. We had a great deal of the discussion and the debate, I believe, on the floor
